

**CLASS OF
1969
TEN
YEAR
REUNION**

**south st. paul
high school**

March 15, 1980

This book represents a class directory for the 10th Year Reunion of the South St. Paul High School Class of 1969. Some people have been eager and excited for a chance to renew old friendships and recall old memories. Others have scorned the idea of a reunion and expressed no desire to walk back into another 'life' and 'time'. We all have different feelings about our high school years; but good or bad, they were important growing years for all of us. We came to graduation as a group with similar backgrounds, educational experiences and memories; the intervening years have made us more unique, more experienced in the real world, and more interesting as individuals. It is for each of us, as we were in 1969, and to who we are now, that we dedicate this class reunion.

IN MEMORIAM

Michael M. Clausen
Patricia J. Macheel
John W. McGinn
Gaye J. Teigen
David E. Ver Douw

The 1969 Class Reunion Committee wishes to thank each of you that took the time to fill out the questionnaires and return them. They were fun to read. The addresses of class members who did not reply are the most current we could find -- we spent many hours digging through phone books and calling parents -- but we cannot guarantee they will all be correct. Our apologies are offered for any out-of-date information included in this directory. The committee also wishes to welcome those of you who could come to party, and offers our thanks for the chance to see you all once again.

Bruce Ruecker, Chairman
Mary Jane Baumgart
Beth Stassen Bengtson
Jim and Debbie Spannbauer Canine
Dan Hectorne
Miles and Kris Stover Lindberg
Cleone Prestegord Weimar
Kathie Vujovich Dettmann

A Class Reunion Picnic will be held at Kaposia Park on Saturday, July 19, 1980, from 3:00 to 10:00 p.m. This will be a family picnic, with each person bringing their own food, beverages, and anything else you might need for a good time. Hopefully we can see all those who came to the reunion, plus many more.
